Student - Higher Diploma in Science in Software Development, National University of Ireland, Maynooth.

JULY

2003 – 2012

AUGUST

MARKETING IMPRESSIONS

2005 - 2012
ACCOUNT MANAGER

2003 - 2005
MARKETING EXECUTIVE

JOB DESCRIPTION

Marketing Impressions provide numerous Irish Blue Chip companies with a range of below the line marketing services, from branded promotional merchandise solutions to event management. My role with Marketing Impressions incorporated *Account Management, Marketing and Graphic Design*.

ACHIEVEMENTS

- Introduced sales software to the company which handled the order process more efficiently, from quotations and order acknowledgements to invoicing.
- Introduced electronic invoicing which increased the speed clients received their invoices and reduced costs.
- Negotiated preferential discounts with suppliers, delivering cost savings.
- Project managed the re-launch of Marketing Impressions' website.

OCTOBER

2002 – 2003

JULY

MRI IRELAND

2002 - 2003
MARKETING EXECUTIVE

JOB DESCRIPTION

MRI Ireland is a private medical company providing diagnostic imaging services to hospitals and health boards throughout Ireland. MRI Ireland is part of the UMS Neuromed group of companies, which operates across Europe from its head office in Germany. My role with MRI Ireland was to carry out all marketing activities for the company.

ACHIEVEMENTS

- Designed and implemented direct marketing campaigns to both the medical and legal sector to increase awareness of our service.
- Instrumental in the launch of a new MRI imaging service in Belvoir Park Hospital, Belfast which achieved great exposure in television, press and radio media.
- Prepared successful tenders for public projects and to private medical insurance companies for coverage of our service.
